

The Premiers Reading Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.

The Challenge will open for student registration on March 1. Students wishing to participate must register via their 'Student Portal'. When logging on at home please enter the following details in the browser, <https://student.det.nsw.edu.au>. Once logged on, a link to the Premier's Reading Challenge website can be found under the Learning section. If you are unaware of your username and/or password or need assistance to register, please see Mrs Donnelly or Ms Loveday.

The challenge booklists are available in the library for students to borrow Premier Reading Challenge books and Mrs Donnelly has put together a prize for the student who reads the most books in both the K-2 class and 3-6 class.

Below this, there are two input fields: 'User ID' with the placeholder 'Enter your user ID' and an example 'Example: jane.citizen1', and 'Password' with the placeholder 'Enter your password'. A blue 'Log in' button is positioned below the password field. A link 'Forgot your password?' is located below the 'Log in' button. Public School Students

A link to the Premier's Reading Challenge website can be found in the Student Portal (<https://student.det.nsw.edu.au/>) under the Learning section. Students are also able to add a link to the PRC in the My Link List section to make the PRC easier to find. The URL to use is <https://online.det.nsw.edu.au/prc/studentExperience.html#/> (<https://online.det.nsw.edu.au/prc/studentExperience.html#/>).

Public school students can also log in directly to the PRC website (<http://online.det.nsw.edu.au/prc>) using their Department of Education (DoE) username and password. These are the same details a student would use to access the Student Portal (<https://student.det.nsw.edu.au/>) and the computer network at school. If you are unaware of your username and/or password, please contact your class teacher and ask for your Student Portal username and/or password.
