

COOLONGOLOOK PUBLIC SCHOOL NEWSLETTER

TERM 4 WEEK 10 2020

From the Principal's Desk

Hi everyone.

Yes, the holiday season is upon us once again. Can I take this opportunity to thank everyone who has contributed to our wonderful, little school during 2020.

Firstly, to the families who have joined us online and at school for special occasions and learning activities. We have appreciated your input into all celebrations and look forward to your ongoing support during 2021. At this time, could I also welcome the families of our new students, Ryder, Hudson, Alec and Kaylee.

To our teaching and administrative staff, thank you for your dedication and commitment to the students, families and the wider community during the year. A special thank you also to Mr Bradford who will retire this year. You have given so much over the three and a half years in which you have served our school. Best wishes for your retirement and we hope you enjoy the many trips you have already planned for the years ahead with your family.

Finally, I would like to wish everyone an enjoyable Christmas break. We hope you have a wonderful time with family and we look forward to seeing you all back at Coolongolook Public School in the New Year. School resumes on Friday 29th January.

Aussie of the Month

K-2 Classroom

In these last days of Term 4, Year 1 have been building their recycled robots from card board, boxes, paper towel rolls, buttons and various other things. They have done a fantastic job and all had a great time. We also completed our science experiment by digging up the rubbish we buried. We were amazed at what had decomposed and what hadn't. Year 1, along with 3-6 had a fabulous time at the dance and sleepover too!

Our Robot Buddies

Natalie – Her name is Addison and she has a belly that can store secret money. She moves on two wheels, she has no arms but she has an antenna as a weapon.

Brock – My robot's name is Frank. He has a pick axe which can turn into a bow and arrow and he can fly. If someone tries to attack him, he will shoot them in the eye with his bow and arrow.

Xavier – My robot's name is Bobby. He is a teacher robot. He has a ruler in his hand and if you be naughty he will smack you on the bottom.

Sleepover

Brock – My favourite thing about the sleepover was to go to sleep because the air mattress was so soft and I snuggled into it! And I loved the ice-creams!

Ellijah – My favourite thing was the dancing, watching the movie and going to sleep.

Natalie – My favourite thing was the same as Ellijah, but I loved how Mr T was not snoring, I got the best night sleep ever!!

Xavier – I liked the Rodeo dance and ‘Old Town Road’ song. I liked the movie, the ice-creams and sleeping in the classroom.

Mr Martyn.
K-2 Teacher

3-6 Classroom

3-6 Report

Everyone enjoyed the school sleepover.

Lots of fun games. The rodeo disco, movies and not to forget all the fantastic food. Sausage sizzle, choc top ice creams, hot chips and bacon and egg rolls.

We all returned to school the next day after walking over the bridge and around the headland at Forster. A play in the park and of course the movie, Cats and Dogs 3.

What a great school activity as everyone remembered our school values of Respectful, Safe and being Switch On.

Everyone is to be congratulated, especially the older students, on their fantastic attitude and behaviour towards our younger students.

Mrs Donnelly
3-6 Teacher

Thank You

To all of the local business and organisations that have kindly helped our small school this year.
