Kinder Transition
Wednesday 4 December

School Sleepover
Thursday 12 December

From the Principal's Desk

The countdown to the holidays is on, and the school is buzzing with excitement as we wrap up an incredible year. Here's a snapshot of what's been happening and what's on the horizon.

Recently, our school united for a heartfelt Remembrance Day ceremony. The students' respect and maturity during this solemn occasion were truly inspiring, as they reflected on the sacrifices of those who came before us. It was a poignant moment that showcased the strength and values of our community.

At Coolongolook Public School, we're all about growth and achievement. Our team regularly updates student learning goals, tailoring each step to meet the unique needs of every student. By using innovative data tracking and a dedication to differentiation, we ensure that every learner thrives in our multi-stage classes. Our personalised approach empowers students to shine in their individual journeys.

A special shoutout goes to our Year 5 leaders, Charlette, Brock, Natalie, Liliana, and Hannah, who delivered their captancy speeches with poise and confidence at our Week 6 assembly. Each student spoke passionately about their vision for the school, showcasing their unique ideas and leadership qualities. Their efforts made the decision-making process for students and staff incredibly tough. We can't wait to reveal the results during our Presentation Assembly, where we will celebrate the chosen captains and their hard work.

Music is the heartbeat of our Fridays, thanks to Jake's dynamic lessons. From the beat of the drums to the strum of the guitar—and even the cheerful notes of the recorder—students are discovering their musical talents, but Jake's contributions don't stop there! He's also the creative force behind the stunning Lionel mural, a vibrant tribute to our school values: being respectful, safe, and switched on. His passion infuses every corner of our school.

We are thrilled to share some exciting news with our school community! In partnership with MidCoast Council, work will soon begin on a new footpath that will link our school to the wider community. The footpath will start at King Street near the Mobil service station and extend all the way to the school, providing a safer and more accessible route for students, families, and visitors. This important project is set to be completed during 2025, and we are incredibly grateful to MidCoast Council for their support in making this vision a reality. Stay tuned for updates as this fantastic initiative gets underway!

Exciting news for our mango lovers! Our much-anticipated mango deliveries will be arriving at the school soon. There will be two separate deliveries, so keep in touch with the school for updates on when they will be ready for collection. A big thank you to Kelly Ede for her continued efforts in supporting the school and organising this delicious fundraiser.

Mark your calendars! Our Presentation Assembly is on Tuesday, 10th December at 12 pm. This is one of the most anticipated events of the year, where we come together as a community to honour the incredible achievements of our students. From academic awards to recognition of personal growth and leadership, the assembly will highlight the hard work and dedication of our students throughout the year. Families, friends, and community members are warmly invited to attend and share in the pride and celebration. The event will include special performances by our students, adding a touch of creativity and joy to the occasion. Additionally, the drawing of our Christmas raffle will take place, and can I extend a heartfelt thank you to the P&C for their tremendous efforts in organising it. Don't miss this opportunity to celebrate the amazing accomplishments and milestones of the year!

The fun doesn't stop there! On 12th December, we'll gather for the Year 6 Farewell, featuring a school disco and an exciting sleepover for all students. It's the perfect way to wrap up the year with joy and camaraderie. Following this, we'll enjoy a Water Fun Day and the End-of-Year Rewards Day in Forster, filled with activities to celebrate the achievements and hard work of all our students throughout the year.

And as the year draws to a close, we are excited to announce that there will be one more newsletter before the holidays. We look forward to highlighting even more achievements and memorable moments in the weeks ahead.

Jason Tindall
Teaching Principal

AUSSIE OF THE Month

CONGRATULATIONS
NATALIE

Classroom

AWARDS

Liliana, Natalie, Paisley and **Charlette** for representing the school at the Bulahdelah Show Public Speaking Competition.

Lennox for great effort at reading.

Evee-Lee for great effort at counting.

Brock his application and enthusiasm to learning new mathematical concepts.

Hannah for her effort and application to including paragraphs to her writing.

Hello Everyone,

★ This year has just flown by and the Xmas season has fallen quickly upon us again, and as we prepare to celebrate this years end, the P&C would like to express how eternally great full we are for all your parental support and all the support we have received from our community and local businesses.

Your dedication and generosity has without a doubt, empowered our team to achieve overwhelming successes in all our fundraising enterprises this year and enabled us to give back to the school.

On Friday the 13th December, our team will be providing all the students and teachers with a mouth watering breakfast on the morning after the sleepover.

★ Our Christmas Raffle will be our last fundraiser to assist the school for the year and we are so appreciative of all the parents and carers and our local businesses such as Nabiac Pharmacy, Farm and Home, The Cherry Pie, and the Mobile Service Station who spoil us with their generous donations. ★ **THANK YOU** ★

There will be some awesome prizes to be won so be sure to be at the Schools Presentation Assembly on Tuesday December 10th for the raffle draw and please support us all by selling tickets.

★ The P&C team will also be cooking a BBQ at Presentation Day Assembly as well as providing some Christmas themed cakes and slices etc, and we are hoping you will all support us with a gold coin donation.

★ **WE NEED YOU** ★ Can you spare an hour once a month? We would absolutely love for you to join our team and help us contribute to what's happening in our school.

Joining the P&C gives you the opportunity to meet other parents, form lasting friendships and feel like an integral part of the school community.

You can participate at what ever level you are comfortable with, depending on work and other commitments.

Healthy discussions with our Principal, Mr Jason Tindall also keeps you informed about school policies and activities and fosters a community spirit.

Research shows that children perform better at school when their parents are involved and as a P&C Member you can aim to build a stronger school community where all children benefit.

★ Save the date and come and meet our friendly team at our Next **AGM Meeting** scheduled for Monday 10th February 2025 at 3pm in the 3-6 Class Room.

★ All positions are Open and if you are interested in a position on the Committee and are worried about time restraints there is always the opportunity to share a role.

If a position on the Committee is not for you you can also join the P&C team as a member.

Don't forget to keep up to date on our Cool School Parents and Careers Facebook page.

Warmest Regards,
P&C Committee
